We Seek - We Strive - We Soar

28th July 2022

Welcome back everyone,

Firstly, this week, I want to congratulate our staff for the professional way that they have dealt with the removal from use of so many classrooms. This meant a lot of work needed to be done in the break on top of the planning and preparation that they would normally have done, and all of the classes were fully operational and welcoming from Monday morning. Thank you to our supportive school community who have accepted these changes as being out of our hands. Although we are unlikely to see anything arriving on site this year, we will keep you all updated with developments with replacement rooms as soon as we know anything further.

Thank you too for the increased vigilance around mask wearing at school. We know that some people find them particularly uncomfortable to wear but all the evidence points to them helping to stop the spread of air-borne viruses.

The wet and cold school term has certainly arrived this week and due to ventilation requirements, the children are wearing extra clothing even in the classrooms. The uniform rules allow for black clothing to be worn underneath and it is perfectly ok too for children to have their school beanie on in class. The last thing we want is for the children to catch a cold at school!

Have a great week everyone.

BLOCKHOUSE BAY INTERMEDIATE PARENTS EVENING

This is being held on Tuesday 9th August at BBI from 7.00pm. Parents of any of our children are very welcome to go along and find out more about BBI.

The Year 6 children were offered an enrolment pack to take home after Tuesday's presentation by BBI Principal Michael Malins and some ex-pupils. If your children did not bring one home and you would like one, please contact the office and we will get one to you.

All schools would like to have their enrolments confirmed by the end of term three so they can organise staffing for next year. Parents are asked to make all of the necessary arrangements to have this completed by the end of September.
