What is Hero?

Hero is an online tool we will be using to communicate with parents and report on children's progress.

What can I expect from Hero?

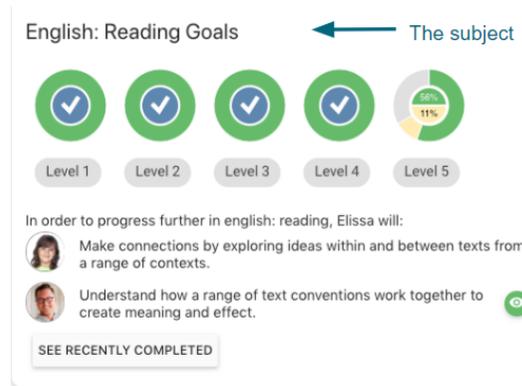

You will be able to view your child's learning goals, learning posts and their 2020 report. Your child's progress in relation to the New Zealand Curriculum will also be shared.

What will it replace?

Hero replaces all school reports, the New Zealand Curriculum Expectation judgements and 'He Manu Rere' student reflections.

Learning Goal Achievement

These circles show progress over time

You will be able to see your child's current goals in 'He Manu Rere', Reading, Writing, Mathematics (both Mathematical Behaviours and Numeracy).

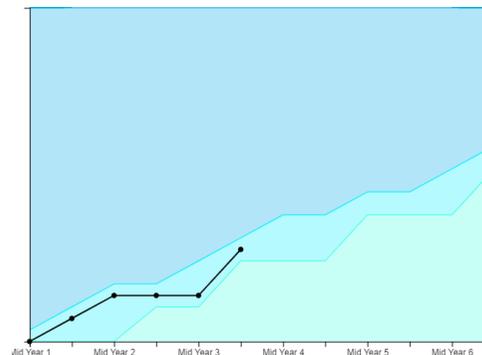

At the end of Terms 2 and 4 you will be able to see how your child is achieving against the New Zealand Curriculum Expectations

5. Mathematics: Number and algebra Progress

The current expectation for Boy is: At Level 2 (Stage 5).

Boy is currently working **within** expectation (End Year 3) at At Level 2 (Stage 5).

Legend:
 - Towards reaching expectation (light blue)
 - Within expectation (medium blue)
 - Above expectation (dark blue)
 - Boy's progress (black line with dots)

Learning Posts

Your child and their teacher will post about your child's learning. You can 'like' and 'comment' on these posts.
